FREE SILVER.

A CLUB ORGANIZED IN McKINNEY.

About one hundred voters gathered in the district court room in McKinney Saturday evening, June 22, in answer to the call for a free silver club organization.

Capt. John H. Bingham was chosen temporary chairman and R. A. McLarry temporary secretary.

On motion it was decided that only free silver democrats be allowed to join the club.

Mr. McCarty of Plano said he was in favor of the free and unlimited coinage of silver but that he had scratched the democratic ticket in former elections.

At this juncture Chairman J. H. Bingham said that perhaps it was in order for the chairman to make a statement as to his own stand. Mr. Bingham said that he had been faithful to the party ever since he was allowed to vote but that he was free to acknowledge that he scratched the democratic ticket at the last election and would do it again if a name of a gold bug appeared on the ticket.

The general sentiment as expressed by those publicly was to the effect that they would not submit to a gold bug platform and candidates.

Secretary McLarry announced that forty-nine had joined the club, after which several others enrolled.

G. H. Wakefield, a populist from Melissa, was given a respectful hearing as he plead for a union of all free silver voters, no matter from which party they came. He thought it a patriotic duty for all to drop any former prejudice and unite in one grand effort to save the union from the greed of Shylock.

J. M. Graves, of Melissa, said that he was a democrat, yet he stood ready to rebuke his party if it turned its back on free silver.

Mr. Overaker, of Plano, said that 499 votes in the Plano precinct, mostly farmers, were for free silver at the ratio of 16 to 1.

On motion the chair appointed the following committees:

On permanent organization

T. C. Boone,
H. L. Davis,
W. T. Cox.

On resolution to report at the next meeting:

J. L. Franklin,
S. H. Fox,
J. R. Gough

While the committee on permanent organization was out Col. Aaron Coffey delivered an eloquent address in favor of the white metal.

The committee on permanent organization reported S. H. Fox president and Clint Thompson secretary.

A ROMANCE.

THEY MET--THEY LOVED--THEY PARTED.

[BY ALLIE M'DUFFIE THOMPSON.]

[HE.]

Oh why, why is fate to me so unkind,
When after long search, my ideal I find;
To kiss those lips rosy and win just one smile,
I'd willingly all thought of others exile.

[SHE.]

Only to meet him what would I not give,
His one little smile such fond hopes make live.
To feel that he loved me and hear his voice low,
I'd willinly make all others my foe.

THEY MET.

[HE.]

My pleading fair lady, I pray you will hear.
For tho' we've just met to my heart you're most dear;
If care and devotion a heart's love display,
You'll have proof of my ardor each hour of the day.

[SHE.]

I list to your raptures, my true, gallant knight,
And feel that my heart is aglow with delight.
It needs but a moment for cupid to dart
His love-pointed arrow in a willing young heart.

THEY LOVED.

[HE.]

Oh, that she'd change her detestable ways,
And act as she did in our old former days;
I'd try then, at least, to weigh trouble down,
And replace with a smile what is ever a frown.

[SHE.]

He twits me with faults, he knows are not true
And wishes I'd act as some others do;
If first I had known what I soon learned to know,
I ne'er should have called him even a beau.

THEY PARTED!

JUST SENTENCE.

The Willis Howard case resulted this week in a sentence to the penitentiary for seventy-five years. He was tried for the torture and murder of his demented daughter, whose death occurred about a year ago. The body was exhumed, when an examination revealed the most horrible results of cruel treatment and torture, ribs broken, back maimed and deep cuts and bruises on other parts of the body, indicating an evident design of the most diabolical nature. While this examination was pending, Willis left home, but returned later and surrendered to the authorities, and made bond. In the meantime two women were arrested and jailed, charged with being implicated in the murder of the girl. Public opinion was modified in their cases, and seemed to grow more intense against Howard as the case developed for trial. The excessive verdict of the jury, coupled with his deep feelings of remorse, is a terrible punishment, and the long years of atonement for his crime will evidently bend him down prematurely—serving the sentence measured by his peers. When we consider the enormity of the crime alleged against him the verdict seems just, trough crowned with years of unremunerative toil and compulsatory duty. It comes as a terrible retribution, and without hope for clemency. Our sympathy leads us to implore divine mercy for the poor victim of his own evil deeds. This is another evidence that retributive justice is ever on the alert, bearing a penalty for all grades of crime.—Jefferson Jimplecute.

PRAYER.

Prayer is, in the highest conception of it, a state rather than an act. A full fruition of its benifits depends on a continuity of its influences. Reduce it to two isolated experiments daily, and seperate these by long blank hours in which the soul has no glimpse of God for its refreshmeot, and how can prayer be other than a toil, and often a drugery?—Phelps.

The Ford Show, which some weeks ago laid its laurels by, folded its tent and—busted, is still here. Mr. Egbert is guardian. The crew however have disbanded and gone hence, "and, departing, left behind them"—Billy Barlow.—Leonard Graphic.

GROVER has left the cucoos and gone to Buzzard's roost.

FREE silver democrats of Farmersville will organize Saturday June 29.

THE greenbackers fused and immediately thereafter "went off." moral—Populist don't fuse.

THE Dallas News says that the populists are holding on to one end of the free silver plank with their heels in the earth.

WE are glad to note that the populists of Farmersville and precinct number 2 are preparing to organize.

HON. U. R. Dennis, the next democratic nominee for president, will soon explore the head-waters of "Salt river."

THE "sound" money single gold standard democrats of Tarrant county, held a big meeting in Fort Worth last week.

W. H. Harvey ("coin") and Hon Roswell G. Horr of New York will have their great silver debate in Chicago July 16.

BARLOW Bailey wants to be United States Senator. If it doesn't kill people to want Bar- [illegible]

You might as well try to climb a hickory sapling to glory, as to try to convince people Grand-Ma Reagan has relapsed into private life.

FREE silver democrats and single standard democrats declare that they will leave their party unless their own ideas of finance prevail in the council of their party.

WE feel kindly towards free silver democrats after they have been kicked and cuffed around by their gold standard "brothers" so often. We hope to greet them into our own ranks at an early date.

SECRETAY Carlisle said he would not dignify W. J. Bryan by debating with him, because in his speech at Memphis, Mr. Bryan said he would not vote the democratic ticket if they put a gold plank in the platform. For this Mr. Carlisle denounces Mr. Bryan as a populist. In other words, according to Mr. Carlisle, if you place principle above party you are a populist and not a democrat. Exactly right Mr. Secretary, those are our sentiments.

THE Kentucky democratic convention endorsed Cleveland, Carlisle and "sound" money.

A FULL representation of delegates from the several populist clubs of Collin county is expected at the July Central club meeting in McKinney.

IT is said the author of "Coin" is a ramboant populist.—Sherman Register.

We thought while reading "Financial School" that he had two much sense to be any thing else.

THE populist party is not to be disposed of by epithets. In spite of keen ridicule and anathema heaped upon it, it is bravely and successfully forging to the front, as a great national party. Let the 2x4 calamity howlers of the old parties stand from under.

FOR the next democratic club meeting in McKinney, we respectfully suggest the following resolutions:

"Believing in the time honored principles of democracy, we hereby renew our allegiance to the party of our fathers. We unhesitatingly endorse the patriotic and wise administration of Cleveland for whom we 'whooped em up' and burned our hats on College hill and now we only wish we had more hats to burn in honor of the chief of Buzzard bay—the champion of "honest money."

THE Dallas Texas Sandwich has a thinkodak which throwu on various celebrities it catches and records their thoughts. Joe Bailey was victimized with one and here is the result:

Congressman Bailey—I'm a free silver man from away back. I carry a silver knife under the waistband of my pants and every time a goldbug sticks up his head I propose to give it to him in the neck. President Cleveland knows I am out for scalps and he has resorted to a buzzard roost. Secretary Carlisle knows it, too and he is hiding in the Kentucky knobs. I have got a silver tongue, too, but it is not exactly a free silver one, for though I don't talk for money, I talk for votes and I'm satisfied I can hold my job just as long as we can keep up the agitation and there may be a chance for me to succeed Mills when his term expires. Down with the goldbugs, long live the silver craze! Give me silver or give me an office!—Sherman Peoples Progress.

BOUGHT THE WHOLE TOWN

Morse, Wis., June 18.—A syndicate of Boston capitalists has purchased everything in this town except the schoolhouse and will take possession in a short time. The purchase includes the entire outfit of the Renokee Lumber Company, every building of every kind and all the mercantile interest of every kind. The price paid is supposed to be in the neighborhood of $2,000,000. The syndicate will establish the largest tannery in Wisconsin, giving employment to nearly 1000 men. The tannery plant will cost in the neighborhood of $500,000. It is said that the intension of the promoters is to run the town of Morse on much the same plan as Pullman, Ill.

The above dispatch is a practical illustration of the power and working of greed and mammon. Where just laws and equal opportunities provail no such power can fall into the hands of a set of soulless scoundrels. Readers ponder over this condition.

GRAYSON COUNTY ENCAMPMENT.

The people's party of Grayson county will hold their three days encampment in Sherman. The committee has secured Batsell's beautiful park, already seated for 15,000 people and supplied with plenty of wood and water, both for the people and the stock. There is abundance of camping room, fully 100 acres of rolling prairie, dotted with nice shade trees. The park consists of 15 acres of picturesque shade and a large pavillion should it rain.

Mrs. Lease, Gov. Waite of Col. Paul Van Derwort of Neb. and J. R. Sovereign have already promised to come for certain and efforts are being made to get Watson of Georgia. This will be one of the grandest gatherings in the 5th congressional district and a special invitation is extended to the counties to send all the people they can and make this meeting a huge affair. We pledge our efforts and the hospitality of the farmers of Grayson county and of the people of Sherman to make all who come pleasant and comfortable.

Remember that the speakers mentioned will positively be here Come and help us storm the citadel of democracy.

Yours for victory,
S. J. HAMPTON, Mg'r.

Friday evening Mrs. Frank Emerson entertained a number of the young people at her residence on South Tennessee street in honor of Miss Mary Wolfe of Sherman.

In answer to invitations, a host of young people gathered at the residence of Mr. and Mrs. Wm. Allen Tuesday evening and enjoyed a rare season of social amusement and mirth. Dainty refreshments were served at 11 o'clock. Mr. Frank Allen and sister, Miss Fannie, as host and hostess are apt entertainers and saw to it that everyone present enjoyed himself to the utmost.

The summer normal for this county opened Monday in the Institute building, with about 30 in attendance. It is expected that the average attendance will be near 50. Profs. F. G. Jones and J. R. Hendrix are the able conductors and Miss Laura Walker has charge of the primary work. THE DEMOCRAT welcomes the faithful teachers of Collin county to McKinney and trusts these two months' work in a summer normal may be pleasantly as well as profitably spent.

An entertainment was given Saturday night at the residence of Mrs. C. Jackson of Parvin in honor of Misses Allie Scott and Callie Parvin at which the following guest were present, Misses Fannie [illegible] of Pilot Point, Addie Aldredge of Taylor, Carrie King of Dallas, Georgia Morrison, Blanche Johnson, Pearl Moore and Myrtle Okla. RELIGIOUS.

Rt. Rev. Bishop Garrett preached at the Episcopal church in this city Sunday.

Revs. Cameron and Seagraves are conducting a successful series of tent meetings at Chambersville.

The Epworth League cottage prayer meeting for this week was conducted at Mrs D. F. Gerrish's Tuesday night.

Revs. J. M. Robertson, J. M. Hunt and Mr. Perry Burrus were delegates to the state Y. P. B. U. and Sunday school convention at Bryan last week.

Rev. J. A. Stafford, presiding elder of this (Greenville) district, preached an able sermon Sunday night at the Methodist church from scriptures found in Titus 2: 11-12.

Rev. A. W. Milster, who was Rev. Russell's predecessor as pastor of the Presbyterian church in this city, preached two interesting sermons from his old pulpit in this city Sunday.

The Baptist Sunday school had its annual picnic yesterday on Wilson creek. All the other schools of the city except the Methodist joined with them. An enjoyable time was had until the rain came up right after noon and dispersed the crowd.

The picnic at Whites Grove Friday was a success notwithsranding the confusion occasioned by the delay from Wednesday to Friday on account of rain. Appropriate services were held at the church and music by the Newsom boys of Allen was furnished. After the program at the church the crowd repaired to the Grove and finished a day of pleasure.

From present indications the Endeavor convention to be held here on the 19th of July, promises to be the best of the kind of any ever held in the county.

"Matron of a Benevolent Home and knowing the good Dr. Miles' Nervine has done me, my wish to help others, overcomes my dislike for the publicity, this letter may give me. In Nov. and Dec., 1893, ***The inmates had the "LaGrippe,"*** and I was one of the first. Resuming duty too soon, with the care of so many sick, I did not regain my health, and in a month ***I became so debilitated and nervous*** from sleeplessness and the drafts made on my vitality, that it was a question if I could go on. A dear friend advised me to try ***Dr. Miles' Restorative Nervine.*** I took 2 bottles and am happy to say, I am in better health than ever. I still continue ***its occasional use, as a nerve food,*** as my work is very trying. A letter addressed to Milwaukee, Wis., will reach me."

Dr. Miles' Nervine is sold on a positive guarantee that the first bottle will benefit. All druggists sell it at $1, 6 bottles for $5, or it will be sent, prepaid, on receipt of price by the Dr. Miles Medical Co., Elkhart, Ind.

The ones that went to the Fort Worth convention are just "baubling" over with enthusiam, and it will do any of the Endeavorers good to be here on the 19th of July, and catch some of the enthusiasm; So, please be sure to come.

The ladies of the Christian church, with the Sunday school, will give their annual "Fete Champetre" on the lawn just north of the church building on next Tuesday evening, from 7.30 to 10.30. Ice cream and cake will be served at the usual price. Just to mention the above is sufficient, as the crowds that have attended them in years gone by can testify as to the quality of refreshments served Remember the time next Tuesday evening, July 2nd., 7.30 to 10.30.

To the Christian Endeavor Societies of Collin county: There has been a call made for a county convention of all the C. E.'s of this county, for July 10th. next, to meet at this place to organize a County Union. It is hoped that all of the societies will send a good delegation so that there will be an enthusiastic meeting, catching some of the spirit of the Fort Worth convention. It is urgently requested that the cor. sec. will answer the letters that have been sent out so that a program can be arranged in time for all to prepare themselves. Remember the time, July 19, 9.30, a. m., place McKinney, at Christian church. For any information in regard to the meeting, write to Plummer Harris, cor. sec., and he will take pleasure in answering any question that he can in regard to the convention. Some of the Societies have been heard from, and they say they will be here with a good delegation, and if all will do so we will have a rousing meeting. All delegates will be entertained while here by the members of the two Endeavor Societies here.

BASE BALL.

Only two of the series of three games, to have come off this week, between the Dallas Clippers and E. Footes in Foot's park were played.

The visitors took the first game Monday, but despite their boasts that they would show the home team a "trick or two," next day, they were given a good drubbing by our boys which, with the knowledge that the E. Footes were still further strengthened for the last and decisive game, completely unnerved them and no kind of inducements could be offered sufficient to lure the wirey would-be instructors in "tricks" to again place themselves upon the sacrificial alter, and with their dear reputation(?) they spurned all overtures in the way of bonuses to fearlessly stand by their contract and hied themselves away, Wednesday evening, to more congenial parts to the disgust of a large crowd of spectators, many of whom were ladies, who had repaired to park to see what everyone had a right to expect, an interesting game of ball.

The occasion of the public installation of officers of Lee Lodge No. 430 A. F. & A. M. was celebrated with a picnic at Walnut Grove Monday. Col. Pearson of this city made the principal address of the day which is said to have been one of the most concise and able deliverances on Masonry ever heard. Dr. Matthews of Rock Hill, Rev. Miller of Weston and Bro. Williams of Rheas Mill made interesting talks also. Music was furnished by the Rock Hill band and a string band. A grand time was enjoyed by all present.

MEMORIAL.

At a meeting of the bar the Hon. James M. Pearson presiding the following resolutions relative to the death of Z. M. Shirley were presented and adopted:

Whereas, Z. M. Shirley, a fellow member of our bar departed this life on June 22, 1895. There fore, be it resolved that in the death of our brother who was cut down in the flower of his manhood, the bar has sustained a loss of a bright genial and sociable companion. The county at large has lost a good citizen, and his family a kind and loving husband and father.

We have assembled from time to time to mark the event of some brother's death whose eyes were opened under other skies, and whose renown was builded in alien jurisdictions. But our brother whose loss we at present deplore was "native to the manor born", whose whole life has been spent in breathing the genial atmosphere and basking beneath the blue skies of old Collin.

He was related by blood and marriage with the most respectable families of our county whose material interests and citizenship have been intimately blended with her interests for a period "beyond which the memory of man runneth not to the contrary."

Resolved that a page of the minutes of the district court of this county be set apart and devoted to perpetuating the memory of our beloved brother. That a copy of the resolutions be furnished his bereaved family to whom we extend our heartfelt sympathy, and that a copy be furnished each paper in the city by the secretary of this meeting with the request that they publish the same.

M. H. GARNETT,
J. N. GRISHAM,

W. T. Beverly and W. B. Merritt were selected by the meeting to present these resolutions to the district court.

FAN PARTY.

In honor of the double birthday of their daughter Miss Sophie, and friend, Mr. Less White, Mr. and Mrs. Lou Moore gave a fan party Monday evening at their residence in West McKinney, and to say the affair was a charming success as well as something novel in McKinney's society realm, would hardly express it.

Fans of various colors, designs and proportions were conspicuous on every side, in parlors, halls, dining room and on the well kept lawn—mute, though appropriate, reminders, indeed, of the nature of the occasion. Beautiful natural flowers, also, added much to the tastefully arranged decorations and their odor ladened every breeze of the ideal evening with sweet fragrance. Strings of Chinese lanterns surrounded the lawn and dangled in an encircling belt about the second story of the residence, presenting a most picturesque scene.

Mr. White and Miss Sophie, who wore a lovely cream organdie costume decked with fans of variagated colors, assisted by Miss Emma Moore, welcomed the guests. Merry social conversation, parlor games and croquet were the amusements of the evening which were only interrupted at the usual hour by delicious refreshments served on palm leaf salvers by four little girls, two dressed in blue and two in pink with fan decorations. These little waitresses were Misses Mary Ferguson, Mena Persohn, Laura and Lula Moore.

Among the guests present, who will ever cherish the event in fondest memory and remember the kind host and hostess with gratefulness for the evening's pleasure, were:

MORTUARY.

Mrs. Mollie E. Crouch, wife of D. A. Crouch, died at her residence in this city Friday night, June 21, after a lingering illness of consumption. The deceased was a daughter of W. Y. Morton, of Weston, and a granddaughter of Capt. John Johnson and enjoyed a wide acquaintance of friends.

She had been a member of the Baptist church is this city for several years and bore her afflictions with a truly christian fortitude. Funeral services were conducted at 2 p. m. Sunday, at the Baptist church, by Rev. J. M. Robertson, and burial took place in the Johnson burying ground about 4 miles east of McKinney. To the bereaved husband and little motherless children The Democrat offers its deepest sympathy and trusts that in some future time they all may again be gathered in an unbroken family on some fairer shore where Death's gloomy visitations are unknown.

Mrs. Lou Stouffer, daughter of E. Obenshain, died very suddenly Sunday evening, about 6 o'clock, of hemorrhage of the lungs. She had been suffering some time with the dread disease, consumption, and only an hour, so we are told, before her death she was sitting out on the veranda of her residence She leaves a husband and —— children to mourn her death.

It is with regret we cronicle the death of W. G. Morton, father of Sam Morton, which took place, June 19, at Aubrey. Mr. Morton arose from his bed too soon after an attack of the typhoid fever and suffered a relapse, resulting in his death. The Democrat, which enjoyed the close friendship of the deceased, extends its condolence to the surviving family.

Z. M. Shirley died suddenly Saturday afternoon at the residence of his Mother-in-law, Mrs. Anna Throckmorton, in this city of congestion of the brain. The deceased had been suffering some months with neuralgia and only the evening before he came home from Tioga Wells where he had been for two weeks in the hope of getting relief. Friday night he was very restless and Saturday morning he sank into a comatose condition from which he never revived. The deceased was a young attorney of promise and a member of an old, respected family of this county. About three years ago he married Miss Annie Throckmorton, daughter of the late Gov. Throckmorton, whom he leaves with one child to mourn his loss. Funeral services were conducted Sunday afternoon at the Christian church by Eld. S. W. Crutcher and Rev. G. A. Russell. Burial at Pecan Grove cemetery, under the auspices of the Knights of Phythias of which he was an honored member. THE DEMOCRAT joins, with a host of friends in extending condolence to the sorrowing relatives.

MESSRS. LIPPMAN BROS., Proprietors P. P. P., Savannah, Ga.

Gentlemen:—I feel it my duty to inform you of the cure your wonderful medicine, P. P. P., wrought in my case. I have suffered for two years with Dyspepsia and Malaria in the worst form, and was a daily sufferer from sick headache. My bowels did not act but twice a week, and frequently only once a week. I could not retain half I ate and my stomach was always uncomfortably heavy. I tried pills and all kinds of medicines, but only found temporary relief in them. I was despondent and was hoping to soon find relief in death.

Seeing your P. P. P. advertisement I decided to try it and requested Dr. Peak to get me a bottle, and after taking that bottle I felt one hundred per cent better. I have taken two bottles and will soon get another, and I can now eat in peace and enjoy everything, and can sleep like a top. My headaches have ceased and my bowels are regular, I would advise all sufferers like myself to give P. P. P. a trial and they will write you as I have, that P. P. P. beats any medicine on the market. Yours truly,
CURTIS COLLYER,
Artist Painter, Orlando, Fla.

P. P. P. purifies the blood, builds up the weak and debilitated, gives strength to weakened nerves, expels disease, giving the patient health and happiness where sickness, gloomy feelings and lassitude first prevailed.

For primary, secondary and tertiary syphilis, for blood poisoning, mercurial poison, malaria, dyspepsia, and in all blood and skin diseases, like blotches, pimples, old chronic ulcers, tetter, scald head, boils, erysipelas, eczema—we may say, without fear of contradiction, that P. P. P. is the best blood purifier in the world, and makes positive, speedy and permanent cures in all cases.

Ladies whose systems are poisoned and whose blood is in an impure condition, due to menstrual irregularities, are peculiarly benefited by the wonderful tonic and blood cleansing properties of P. P. P.—Prickly Ash, Poke Root and Potassium.

SPRINGFIELD, Mo., Aug. 14th, 1893. —I can speak in the highest terms of your medicine from my own personal knowledge. I was affected with heart disease, pleurisy and rheumatism for 35 years, was treated by the very best physicians and spent hundreds of dollars, tried every known remedy without finding relief. I have only taken one bottle of your P. P. P., and can cheerfully say it has done me more good than anything I have ever taken. I can recommend your medicine to all sufferers of the above diseases.

Capt. J. D. Johnston.

To all whom it may concern: I hereby testify to the wonderful properties of P. P. P. for eruptions of the skin. I suffered for several years with an unsightly and disagreeable eruption on my face. I tried every known remedy but in vain until P. P. P. was used, and am now entirely cured.

Testimony from the Mayor of Sequin, Tex.

SEQUIN, TEX., January 14, 1893.
MESSRS. LIPPMAN BROS., Savannah, Ga.: *Gentlemen*—I have tried your P. P. P. for a disease of the skin, usually known as skin cancer, of thirty years standing, and found great relief. It purifies the blood and removes all irritation from the seat of the disease and prevents any spreading of the sores. I have taken three or six bottles and feel confident that another course will effect a cure. It has also relieved me from indigestion and stomach troubles. Yours truly,

DISEASES OF WOMEN

Will be Treated Free by Dr. Hartman During the Summer Months.

Female diseases" is a term which has come, by constant use, to be applied to all of that very distressing class of affections which are peculiar to the female organism. At least three causes should be recognized. The cause which is perhaps most frequent is displacement of the womb. The second cause is congestion of one or more of the pelvic passages. The third cause is known as inflammation or ulceration. Pe-ru-na should be taken in tablespoonful doses before each meal in all varieties and stages of the disease. This dose should be gradually increased after several weeks use of it to two tablespoonfuls. Vaginal injections should be taken three times each day, two or three quarts at each injection.

Any woman wishing to become a regular patient of Dr. Hartman should send name, address, duration of disease and symptoms at once, and specific directions for every detail of her treatment will be promptly sent. The doctor will direct every item of the treatment free of charge. The patient can obtain the necessary medicines at the nearest drug store, and every patient will be expected to report once a month. This gives every woman in the United States a chance to receive the benefit of the extensive experience of this renowned physician in all forms of female diseases.

RECAPITULATION.

	Two years.
Uunversity of Texas	$70,000
Sam Houston Normal	81,000
A. and M. College	146,000
Praire View N. S.	122,000
Tatal	$419,000
Permanent improvements for Prairie View Normal School	$88,000

I told you that I would itemize all the state high schools. Here it is. Now you must remember this is the hardest year that ever has been known in Texas. Those extreme appropriations should not have been made.

1. The negro artesian well should not have been dug. The negroes could have drawn the water two years longer as easy as one hundred thousand white taxpayers can haul theirs. $15,000 for the well.

The laundry. It seems to me the negro women could have done their washing as easy as one hundred thousand white women could do theirs and raise cotton to pay taxes.

The dormitory for negro boys $45,000. I didn't know what sort of a building that was. I saw it was a very costly one. I was showing the appropriation for the the negro school and when I came to the dormitory there was about a dozen present. I nor any of them knew what the thing was used for. There was an old gentleman stepped up and cursed it and gave it a rough name. I couldn't believe what he said about it was true. I saw that all the high schools had them.

I then went to a young lawyer who had graduated in the state university. I asked him what dormitory was used for and he told me that it was used for a sleeping and boarding house. That they hired their own cooks and waiting maids to do the work. I then saw that the old man's language was not much too rough.

Now, it will be remembered that our produce doesn't pay for more than one half of the cost of the labor it takes to produce it. I would not take one thousand acres of the choice land of Texas, rent free, and bind me to hire the labor and cultivate it right for all I could make.

The next best property of Texas was suckling mules up to 93. they sold from $25 to $70 per head There never was enough of them. They were like bales of cotton—more wanted.

Now if any man would give me one thousand head of just such mules as the above named and bind me to take and push them until they were four years old, as we did up to two years ago, I would not take them, for this reason. It is worth $20 each per head a year to put them through right. $50 cash will buy all the 4-year-old mules, to average them, to-day. And we have to pay all those appropriations there are now made.

But I am in favor of electing a legislature that never will appropriate another dollar to a state school, and to shape our common school fund so we can educate every child, white and black, in the state, up to a good English education and let all that want a higher education than the above pay for it themselves. I put the above outside of partyism. This fight is aristocracy and negroes against the laboring people.

The question will be asked, would you abolish all these great state schools, with all their fixtures? No sir, we will set them free like the good old father does his sons when they become of age. Let them take care of themselves; we will take care of the little ones. RUTABAGA JOHNSON.

LEFT HIS BED AND WALKED.

Smyrna, Del., June 18.—A remarkable incident is connected with the case of William Reynolds, of Thoroughfare Neck, who died last Friday. He had been bed-ridden for 17 years from a spine affection, but three days before his death he told his wife and children that "God, who made and preserved me, is going to let me walk again before I die."

Then he got out of bed, unassisted and walked down stairs and into the yard. He returned to the house and sat downstairs for half an hour before going back to bed. He returned to bed and never left it alive.

The doctors can give no explanation of this strange temporary restoration to Mr. Reynolds of the power to walk, after being a helpless cripple for so many years.

SHE KILLED HIM.

Washington, June 20.—A special to the Post from Amory, Miss., says: At Fern Springs, a summer resort fifteen miles from here, Bruce Flanagan, proprietor of the hotel, called at the residence of Frank Dean. Finding Mrs. Dean alone he made an improper proposal, so she claims. She immediately disarmed him of a pistol which he had, and blew his brains out. She then secured her husband's shotgun and levelling at the dead man's breast, fired both barrels. Mrs. Dean has not been arrested and probably will not be.

A VERY FUNNY THING.

Texas Harpoon has reduced its price from $3 to $2 per year, and from 10 cents to 5 cents per copy. Everybody will read the "funny thing" at that price. Men and women are making money fast acting as agents in their own town. The management wants an agent in every town in Texas where there is not already one appointed. It is a ready seller, and when you once harpoon a whale he never gets away—he don't want to get away. Any active boy can do well selling Texas Harpoon on Saturdays.

A NEMSPAPER DEFINED.

It may be of interest to some people to know that the running of a newspaper is a business just the same as the running of a grocery story or a millinery establishment or a street car system. Says the Council Bluffs (Ia.) Nonpareil:

"A newspaper proprietor pays rent and insurance, contracts bills, collects money and disburses the same with the primary end in view of keeping the receipts above the expenses.

"The newspaper is his manufactured product. It is made up of many ingredients, contributed from many different sources, and the process of its manufacture is complicated and expensive.

"When the paper comes from the press it represents the labor of many hands. In that respect it does not differ from a suit of clothes.

"Instead of wearing a newspaper or eating it, we read it, and it has the advantage of having the the news of the day arranged and printed in a convenient form and at your door. That represents the value of the paper.

"The newspaper is a product—it is manufactured to supply a demand.

"If the market value of 5,000 newspapers is $250, one paper should be worth an amount of money in proportion, just the same as oranges, squashes or tooth-brushes.

"That's why newspaper proprietors don't hand out their papers as presents to anyone who may ask for them.

"They have bought machinery, paid rent and satisfied the demands of a pay roll in order to produce, not a tooth-brush or a cigar, or a yard of ribbon, but a newspaper.

"On account of its value as an advertising medium, space in a newspaper is worth money, just the same as seatting room in a in a street car or in an opera house is worth money. The insertion of a 6-inch advertisement may be worth as much as six seats at the opera."

WHEN DOCTORS AND HOSPITALS FAILED.

DALLAS, Tex., April 4, 1895.—This is to certify that for the last eight or nine years I have been sorely afflicted with a most severe bowel and rectal trouble, which also produced a complicated condition of the liver and kidneys. I was four month s in the Dallas hospital and was treated at different times by at least a dozen different physicians and was operated on four times, but all to no avail. I continued to grow worse until I had lost hope of recovery, but thank God a lady friend advised me to try Dr. McDowell's Family Medicines. I had used only one bottle of the La Creole Blood Purifier and one box of Rabbit Brain Ointment when I found I was improving fast. I have used six bottles of the La Creole and about the same number of the salve and Eel Oil, and I positively could not be paid enough money to be placed back in the same position I was in when I commenced the use of the medicine.
My husband was attacked with a severe case of Grippe and had a severe cold and fever. He was so bad that we thought he could not recover, but he concluded to try McDowell's Hot Drops and Eel Oil and in a few days was able to resume his work. MRS. HATTIE DAVIS, 317 Elm Street.
